

Microsoft Surface Bundles

What's included in a bundle?

A Surface tablet, rugged case and strengthened glass screen protector.

The easy-to-carry rugged case includes a fully adjustable easel, back hand strap, briefcase handle, protected ports and is mount-ready.

Why a bundle?

The rugged case and screen protector are applied to the tablet by MobileDemand installation experts in a dust-controlled environment.

Benefits include:

- The bundle is shipped to the customer ready-to-deploy
- Faster deployment of devices
- Option to have MobileDemand apply asset tag labels
- 1-stop shop

Why MobileDemand?

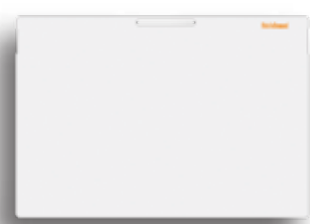

MobileDemand is a Microsoft Surface Authorized Reseller with expertise in enterprise mobility. The premium rugged cases were engineered as a participant in the Designed for Surface Program.
