Rugged xCases

Ultimate protection for the most demanding environments

Surface Pro and Surface Go

iPad Pro® 10.5 and iPad 9.7

Ultra Functional

Ridiculously Durable

Our cases are built to a higher standard. We’ve subjected our iPad Cases to MLT-STD drop heights of 8 and 10 feet! We Demand More, you should too.

These ultra-rugged cases are mountable and add-on ready. Expand the adaptability of your Surface product to a multitude of work environments.

Our extremely durable xCases are designed, built, and tested to withstand the most rugged work environments. The unsurpassed versatility is made possible by many clever, built-in features that include a convenient back hand strap and briefcase handle for easy portability, a patented snap mount plate for unlimited mounting solutions, and multiple screw inserts for a variety of add-on tools.
Rugged xTablets

Our family of feature-rich, rugged tablets are designed to excel across a broad spectrum of industries. Our tablets include clever, built-in carrying handles and straps, along with our patented snap mount system for endless mounting solutions, and are designed to accommodate a variety of add-on devices.
